What we need most is You  
Let us taste and see  
To drink from the living fountain  
That gives life to me  
Give me a desire for You  
Like the desire You have for me  
Longing to be with You  
Just like You want to be with me

Oh God, Ignite in me a passion  
To know You more, and to make You known  
Oh God, Ignite in me a passion  
To know You more, and to make You known among the nations

Bridge:

Let me be a life that glorifies Your name  
May I find my joy and delight in only You
